### *Easter Water*

*Easter Water is water blessed in special ceremonies. On Holy Saturday, at the Easter Vigil, part of the ceremony involves lowering the Easter Candle into the blessed water three times, representing the death and rebirth of Christ. The water symbolizes life and death, as well as repentance of sin and rebirth into a new life. In the Catholic Church, the Easter Water is then used for baptisms after the Easter Vigil.*

*The symbolism of water signifies the Holy Spirit's action in Baptism. After the invocation of the Holy Spirit it becomes the sacramental sign of new birth. The water of Baptism truly signifies that our birth into the divine life is given to us in the Holy Spirit.*

*Starting Easter there will be Easter Novenas for blessings of the parishioners, their intentions, benefactors and deceased members of the Parish.*

*Wishing you all a Blessed Easter,  
Fr. Ferreira,  
Pastor,  
Our Lady Help of Christians Church*
