St. Joseph and Father's Day

This Father's day it is only fitting that we praise and pray to the most beloved earthly father we have in the Bible. St. Joseph was chosen by God, just as Mary was, to raise Jesus and provide a necessary role as His father all the years they had together. God knew Joseph's heart was good and that he would make a wonderful dad, husband and faithful leader of their family. Although we don't know much about Joseph from the Bible, there are wonderful qualities we can presume about him from what we do know. Due to this, it gives us many reasons to pray to him so he can help us grow in these qualities, to protect all families, and to intercede for us to his son Jesus.

Fatherhood is first a spiritual reality, because fatherhood has its origins in God who chose to reveal himself to us as Our Father, sending his only Son for the sake of our salvation. Fathers, have a special and unique role. Fathers have a vital, and important role to play in the personal and spiritual development of their children, and in reflecting the love of God the Father himself. Fathers are called to show the world the virtues of a tender protector, while living out the virtues of humility and courage. In all situations, but especially in difficult circumstances, a father needs to be encouraged to faithfully accept the role entrusted to him by God and support the mother of his child. Through our prayers and through the intercession of St. Joseph, patron of fathers, may fathers come to know the important role they hold in the lives of their children, and the responsibility they share in welcoming God's gift of new life!

Today as we celebrate Father's Day, for all the fathers in our lives, may we remember the many sacrifices they make for their children and families, and the ways--both big and small--they lift children to achieve dreams thought beyond reach. We also remember all those who have passed and are no longer with us. We ask for wisdom and humility in the face of the task of parenting. May St. Joseph give all fathers the strength to do well always.
